(The dates are printed as part of the book, but for sake of reading, I will include them as part of the text. Also, I have maintained Lillian's spelling from the journal.)

Sunday Jan 1

Went down to Logan for dinner at Lowell and LeReta's we sure enjoyed ourselves then went down to the nursing home at Bennett and seen mother and payed my \$4.00 to home for mother mother looks good and is doing allright.

Jan 2

Washed to day had big washing I was so tired when got through Sandra and Douglas come up for a couple of hour and Norwood Colleen and the baby came for a few minutes and got the other to children It was awful cold but most of the close got dry

(Dates left blank I will skip)

Sunday Jan 8

Jimmy and Spencer came today and brought a picture of the three children for Christmas and said Cindy was getting worse again. They are taking her to the Saint Bendex for radar treatment again. They had to take her out of school. While they were here Terry fell off of the tree he was climbing a broke his arm in 2 places.

Jan 9

Baked bread and cookies today and washed my head to night. Hope I don't catch more cold. Dad had a bad spell just before dinner and one in the night last night. He doesn't feel a bit ood today. Watkins man was here today got bottle vitamins off of him. Cost 6.98 today.

Jan 10

I went to Relief Society we had a nice meeting it was theology meeting Loa Thomson gave the lesson. They gave new Dristrics to the Visiting Teacher instead going with Ida Andrus I go with Loa Thomson now.

Jan 11

I washed today and sure got tired but had a nice day part of the close got dry. We had our Ward Teachers tonight They also changed our ward teachers they gave a nice message and told us we should pray often. Made an apple pie for dinner.

Jan 12

Went teaching today all home but three. Had lovely afternoon both Ren and I are sick tonight. I had pretty good day got most of my ironing done Ren hasn't been feeling so good had one of those nisty spells last night makes him feel awful for a day are two - my legs hurt me so bad about 3.0 clock this morning I have been so tired all day

Jan 13

Edna came up to night and Helen came up and toke her home again we had a nice visit got another cold to night and Ren isn't feeling very good either Russ called an told us about Floss and said she was home now and that they wasn't going to oparat on her other leg. That was going put a brase on the one that was operated on.

Jan 14

Got a letter from Spencer he said Terry got his arm broke in two place and that there isn't much chance for little Cindy that treatments will do her good for a while but it is just a matter of time.

Sunday Jan 15

Ren didn't rest either but he went to sleep after I got up. Called adry and LeReta and Lowell well Layton to see the kids. Made cack this morning early we went got Edna to have dinner with us. Lillian called to night she said they were all well and that LeReta + Lowell had been down to see to day.

Jan 16

Got up not feeling good again didn't do much all day. Russ and Olvie came over this afternoon a while, LeReta + Lowellll and their family came to night and had supper brought me 2 quarts of cream on sour + one sweet. Feeling prity good to night.

Jan 17

Got up feeling better this morning Ren is isn't feeling a bit good he got the same as I have. Gloria called and told me to tell Edna they be up to night Mary called and said they all had the flue but her. Said Babie came home from school sick to day Edna came over and stayed night with us.

Jan 18

I had awful pain in my chest this morning it was sure awful for a while hit me while I was eating breakfast we toke Edna home to night They got all new mail boxes in the new post office to night I am feeling better to night do hope I stay better now L.D. came brought Ren a pair of new house slippers.

Jan 19

Got up 8.30 o clock this morning feeling pretty good got a little done but had go slow called Colleen and she the baby was feeling fine today. Russ and Olive came and gave us fish they had caught in Bear lake they call them circus near saw fish like them before.

Jan 20

We are watching the President put in office this morning and the Parade afterwards It is cold in Washington there snow on the ground but they sky is clear and the winds are blosing and it is awful cold their The Inauguration of the presidend Kennedy just over It was over between quarter after and 11.30 O clock am Olive got me a little stand for my hot plate with my gold stampas

Jan 21

It was cold and half sick all night when I got up and got around I felt better. But still don't feel to good Norwood and Colleen went Logan to day and got me a pressure cooker to day with my gold stamps it sure nice Norwood put my stand to gether for me this morning and its sure nice. Sure wish I could here how little Cindy and Terry are. I am so worried about Cindy hope she is better. Haven't heard from none of the children this week but Norwoods family LeReta's wish the rest would write.

Sunday Jan 22

Had a pretty good day to day We went and got Edna to come over for dinner and Lowell + LeReta a family came while were eating got them some dinner then Lowell + kids went to Elwins to eat potatoes after dinner Lorus and Carrie + there daughter came after dinner and visited us for a while before they went home. And they went and saw mother and said she was feeling fine.

Jan 23

Got up this morning and washed we went and get Edna and she hung out the close for me so that I wouldn't get another cold if I could help it I just can't get over the last cold It sad. I am sure thankfull Edna came over and help me. Colleen came over this after noon and cut dad hair he looks pretty good now bless his heart do wish he would get to feeling better.

Jan 24

Got up feeling fine this morning went to Relief Society meeting at ten o clock I made two mince meat pies and Sadie and Olive up for coffee this afternoon. Tonight Olive sent me up a bail of straw and I was sure thankfull for that as I sure needed it got letter from Jimmy this morning she said Cindy was getting better and that Terry was doing fine they would take cast off in a week or two.

Jan 25

Got up feeling fine my work cleaned chicken coop ironed and got supper Edna came over about 9 o clock PmM. Stayed all night Ren had a bad spell and was sick all night with my stomak got up feeling still sick. Got a letter from Lona today said they were getting Jeanel toncels out. Edna having trouble with her mail box she has to move be snowing a little day but doesn't pout to much it up on Rosco Merrills corner hope everything turns out alright for her.

Jan 26

Got up this morning feeling awful sick at my stomach been sick all day we take Edna home at 2.015 P.M. baked a bach of bread to day and roasted a duck for Ren dinner and made dressing on it. Leona Smith called told how Joseph and Hilma's family were.

Jan 27

Colleen called siad Sandra had scarletina and was sure sick and that baby wasn't well either called Edna she had been to the temple all day until about three o clock and she was tired and didn't want to come over because I van was coming in the morning to move mail box.

Jan 28

It sure cold this morning can't get the house warm for the last 2 days Sandra is still quite sick They had to take her to Dr to day she got a shot for her cold. She has to go get an other one in the morning we just toke Edna home wish had of stayed.

Sunday Jan 29

Got up feeling pretty good we had beakfast I made cake and fryed chicken and made salad for dinner. No body been her today yet Colleen take Sandra to the Dr and he gave her another shot she is a lot better today. It is cloudy to day hope we have storm There is stake conference in north wards and south in the north ward church Ellis up to see us for a while today.

Jan 30

Got word this morning that Mrs. Jos McMurdie died Saturday night sometime. Colleen and Sandra the baby came over for a little while to day. I had them eat dinner with us sure seemed good to have them come for a while. It snowed a little last night but snow all gone and clearing off to night didn't sleep much last night I wish I could get feeling better.

Jan 31

Got up this morning got breakfast and washed the dishes got ready to go to Relief Socity it start at 10 o clock in the mornings now. We had a lovely meeting this morning on Social Science in spiritual living all the women in the

neighborhood went and we all enjoyed it so much. Sent insurance today Homesteader I us Helen + Roy came to night and stayed about an hour

Feb 1

Today went cashed my check sent to money orders off for life insurances one to the Sentinel and one to Reserve life off, toke Edna home. And she didn't come back to night Ivan came to see his mother and I had him stay for dinner with us still can't open mail box.

Feb 2

Mar 13

Hearold + Doraine came for a while. I got up this morning a cold again feel better other ways Edna called and said she had been to the Dr. and he said she was everything was pretty good with her Edna is going to Temple to night hope Harold + Doraine come before she goes. Edna called after she come from the Temple and asked if Harold + Doraine had come but didn't see them if they came. I am writing the letter that Ruth gave of Rens life so I can send it to Rudy.

Mar 14

When got up this morning it had been raining and looks like its going to rain again going to Relief Society birthday party at 2 o clock if everything goes all right between now an than I went Relief Society this afternoon I didn't enjoy it a bit. Lloyd + Verda came while I was gone and they didn't stay until I came home. Edna walked over and had supper with us. And we toke her home. Ren is quite miserable to night his legs paing him so much.

Mar 15

Got up early this morning got my washing done before 10 o clock it was a lovely day got my close all dry and called Edna she wasn't through her washing yet and Mildred called. Talked quite a while sure have been awful tired this afternoon can't understand why got my letter finish to Connie have to write some more of Ren + Mary life so I can send it to Rudy.

Mar 16

Went up Sadies this morning Olive and I had a pretty nice fornoon Eliza came this evening and stayed all at with us sure was nice to have her she was going to go to the Temple with one of Elmer's Laurinces boys who was going to get married.

Mar 17

Eliza left at 25 minutes after seven this morning to go to the temple do hope she made in time got all of my cleaning done to day but dusting and also get my ironing done. I wish I knew what caused my legs to hurt me like they do and why I get sure tried bwe went over and got Edna and had her stay with us to night.

Mar 18

We been working with our sess pool all morning trying to get it to stop running over but didn't have any luck with so that means we will have to make another once Edna stayed while we went down town and got some Darnio to put in it but it didn't do any good Edna stayed until afternoon and than we toke her home. Colleen came over and cut Ren's hair and he looks pretty good now again. Got test back yesterday will have to go to the hospital in a few days for a day are so.

Sunday Mar 19

Got up with a bad cold + my ears even hurt but I made sour cream cake. it's a pretty day to day guess we go over and get Edna so she can have dinner with us so she won't have to eat alone. Leland Maxine her boy friend and Nancy came up to see us to day Lee sure looks wonderful haven't seen him about 2 years.

Mar 20

Was sick al night with a bad cold got some pills off Dr Noble to night I sure hope that clear it up went over got Edna brought her over for dinner with us today and snowed part of the before noon cover the ground with snow but it was all gone in a couple of hours.
