Jan 1

We had a lovely new years It was cold but a nice day and am thankfull for this day and I pray we have many more. I fried a chicken and Ren and I had dinner alone thought some the children would come for dinner but none came this afternoon LeReta and the four little ones came and gave them supper than Rudy + Lula and Orbon and Nan came and brought something for Christma Orbon + Nan brought us some towels

+ Ren some socks and Rudy brought us meant + fruit and preserves and candy nuts.

Jan 2

Today I got up and washed Mrs. Bundy came over and drane the washing I helped a little she put the water in the tubs and washer for me and Edna came over and hung them out Mrs Bundy helped her do that to Than we toke Edna hope because she wanted to be there when the oil man came I put my check in the bank got a gallon of honey exchanged the oysters I got for another can gathered my close and hung them on the close horse to get dry.

Jan 3

Went down to Olives with Sadie this morning stayed a couple of hours. Came home and got dinner went over to Mrs. Bundys for a while to night to get my paper I had wait until the boys came so Sister Brother Bundy brought it over for me and I showed Mrs Bundy how pretty our flower was they watch Rohide on TV and then went home.

Jan 4

This morning early Ren had one of those spells it didn't last very long but it scares me. I got Sister Bundy to take me to town to cash our check and got grocerys and madicene for Ren. And went over and got Edna and brought her over than Ivan came and got her he is going to bring her back when he goes home. Colleen came over and had dinner with us.

Jan 5

Edna's Ivan came up and toke the Hospital bed back to day and it mades me a lot more room. Edna stayed with us last night and we toke her home this morning so she could get dinner for Ivan he was up here getting his car fixed are trying to. I called LeReta to night and she said Lowell had a bad cold and that she was going to have the baby blessed Sunday. I sure wish we could go down there. Ren walked from the dining room to the bed room with his cane I got a card from Evan to day he said he got his fruit cake okey.

Jan 6

Norwood came up this morning but he said there wasn't any mail It snow off and on all day and none of the children came up this week end. I didn't do anything much to day Brother + Sister Bundy went Ogden to see Keith to day sure thankfull when they got home allright.

Sunday Jan 7

I got up this morning and Mrs Andersen called and asked me if I wanted to go to Logan to see the baby blessed and I hurried up and got my bath and we went to Logan to church + Lowell blessed the baby + He named him Denis Lowell and he was sure a good baby all the we were in meeting and their was a lot of people bore there testimonies It was sure nice to be able to go. I sure enjoyed going. Elwin Andersen toke us down and LeRue brought us home. Lowell and LeReta and there family up for a few minutes to night before they went home.

Jan 8

It rained and snow all to day but Colleen and Edna both washed and get their washing It was still raining late to night but when I went to bed the stars where out and it was clear and pretty out but it was sure cold to wards morning I write a letter to Aunt Rhoda and finised one to Carre.

Jan 9

I got up early this morning and put my boiler on and washed it was a pretty day but cold but the wind blew pretty good so I got my close nearly all dry and Sadie brought Don's little boy down to stay with me while she went Relief Society to gave her lesson and sit a watched TV all the time he was here and he sure was a good little boy. I went to town and toke Edna home and sent Ren Insurance off and paid my Telephone Bill and got some grocery and some pills and infur rub for Ren.

Jan 10

Colleen toke Edna to Logan to day and bought a new matterss + bed springs and I do hope they fit good so we will be able to rest on them and got bed spread curtains + pauners and can opener with my gold strike

stamps and got me a while dress so I can go to Temple when I can get the rest of my close to go.

Jan 11

I got my new springs to day and got them on our bed I do we can rest better on it Sister Bundy toke the old springs out for me and toke matteress of the bed and we had the guys who brought springs on the beds for me and they also put the mattresses on the bed for me.

Jan 12

We both sure slept good last night. Al + Ruth came for a while and brought Christmas gifts I got a lovely looking glass and hair brus and and comb a something for Ren to put his feet on so he can rest them and a sweater Norwood brought a letter from Hearld and Norwood Colleen and the two girls came for a while this after noon.

Jan 13

Norwood came and brought the mail and gave him a cup of coffee he had an awful cold cleaned up my dirty house it was stormy weather to day.

Sunday Jan 14

Sunday made a meat loaf and jello salad Colleen came up and brought Edna for me so I had her and the children stay for dinner and brought up the mail for me. Edna went home in time so she could go to meeting still stormy snowing off and on all day.

Jan 15

Got up this morning still quite stormy weather but cold something gone wrong with our TV again the darn thing I called Dee last night he said be over in the morning to look at it.

Jan 16

Got my washing done this morning I just got through Orvie + Dorthy came and was sure nice to see them They were going to Franklin to have dinner with Dorthy's mother If I can get the car started Mrs Bundy will take me to town this afternoon so I could get my pills.

Jan 17

We had a nice day to day again but it's a little cloudy night I went up to Sdie this morning both Olive and we had a nice little visit came home and got dinner finished done dish towel yesterday and another one to day and started the third called Colleen but she wasn't home got Llody Bundy to start the car and let it run for a half hour. Mrs Bundy is sick so went over to see how she was she doesn't fel a bit well Ren had spell this morning and me this afternoon but not to bad.

Jan 18

I wahsed my hair this afternoon + when Llody came home I got him to go and get Edna so she could stay with Ren to morrow while I went teaching with Loa I sure want to get my teaching done. WE got nearly enough out of Rens Insurance to pay off this last Hospital bill It will cost about \$16.00 more and it will be payed.

Jan 19

Edna stayed with Ren while I went teaching and they were all home but 2. We just got home and got my chickens feed. It sure was cold all day it snowed until noon but pretty good this afternoon quite a bit a snow wade in but we made it all right.

Jan 20

Norwood came up and brought the mail this morning and Ren sined his insurance checks and I made up the blance with check for \$71.00 to the Hospital and a check to the Dr Gibbons for \$16.00 the insurance sent a check for \$88.40 cents + a check for \$9.00 to the Dr Bill was \$15.00 so I got those bills paid up I hope we don't have to have any more hospital bills. This was the last hospital bill and we sure have had a awful storm all day its snowed and blowed all day but it looks better to night. Elmona Talbot called to night told me that Lillian had got her nose broken its just to bad she can't write and tell me.

Sunday Jan 21

Its been pretty and clear to day but its sure been cold all day. I haven't heard from Edna to day. She is staying with Mrs Van Ordon who has been quite sick LeReta said she was coming up to day but hasn't came yet. Colleen called and said they went to Baer Lake fishing this morning they got 21 cicos she said it was sure cold up there boy what a day to go to the lake cold enough to freeze you to death.

Jan 22

It was sure cold last night it was about 20 below so here our oil stove went out I had quite a time to get started again thought I was out of oil but I had a lot left so I got have the stove turned up higher I sure hope it doesn't stay this cold for to long. Ren had another light spell this afternoon I sure wish he could get better so he can walk again.

Jan 23

Its awful cold again last night It was about 23 below Edna just got her water thod out to day everything was froze up and all her pretty flowers was froze and it was cold her oil stove went out also our went out yesterday morning but I got it started again but we got awful cold before I got it started. I called Norwood to help me but his car wouldn't start so by the time he got his car going all was all right up here.

Jan 24

I talked Ellis night and he said they were all well. Roy + Helen came up and I had them have dinner with us Edna was down to Mrs Van Orden takeing care of her so Helen called her and she went home and stayed alnight she having her water turned off and the pipes drained shes staying night down to Mrs Van Orden for a month. Ren had another spell this afternoon quite a bad one. Helen called Edna after they got home she got home all right.

Jan 25

It hasn't been so cold to day but foggy and has been thouing a little. Sadie + Olive came this afternoon and the Releif Society Teachers came this morning and Colleen came up and brought the mail Edna called to night and said she wasn't going to have her ater turned off now that keeps a fire in the house it wouldn't freeze up because she would only be there about 2 weeks.

Jan 26

I got and cleaned the stove out this morning got work done up and went over to Mrs Bundys for a while put heat on the car to warm it up This afternoon I went over to Sister Budny again and got Lloyd to take me to town for some pills for Ren Ren has been pretty good today if so can I am going to wash in the morning I sure hope it will be a good day.

Jan 27

I got up early this morning and did my washing and we had so much fog we couldn't see ½ block away onc in the a while could see the side of my old house and it stayed the same all day. Everybody stayed home as much as they could haven't heard from any of my children from Ogden or Clearfield or Layton didn't know what the matter them they could write.

Jan 28

Still foggy this morning but not so bad Lowell LeReta and the children came up and had dinner with us today. We was sure glad to see them + we sure pray for them to get home safly Edna called just before noon and she said every thing was alright over there she was getting ready to go back to Mrs Van Ordens.

Sunday Jan 29

Its been a little better to day and Ren hasn't felt a fit and neither have I got a bad cold but I hope I have about got it broke up. I feel awful nevers the last two are three night I don't know what makes me this way. I got my ironing done this afternoon I do wish I could here from the kids and find out how they are.

Jan 30

I didn't feel a bit good all day to day had quite a cold I layed down and kind of went to sleep this morning

for a while our TV didn't play a bit good we couldn't understand what people was saying so I turned it off and played the radio Colleen called and said was having trouble with there deep freeze and that had to get new part for it.

Jan 31

I feel better to day so got up and moped the kitchen and dining room floors and called Dee to come see what was wrong with TV but he didn't come nor he didn't call the TV makes so much noises I can't stand it. Its still foggy and cold most of the day both yesterday and today I hope the weather gets better pretty soon. Colleen called and said would have to get a man from Logan to fix the deep freeze because it didn't work right.

Feb 1

Ren isn't feeling a bit good this last 2 or 3 days I sure wished I know what I could do for him Norwood brought my check up to night and the mail. Colleen said she would take me to town to day I rested pretty good last night I hope Norwood and Colleen got their deep freeze fixed.

Feb 2

Colleen got their deep freeze to working I got toke bath went to town got my check cashed ans ent my insurance off got my grocery and Colleen toke + brought home and we had dinner here and than she cut Rens hair. Ren sure hasn't felt good day got my supper dishes done now watching TV.

Feb 3

I haven't felt so good to day again I have been so tired the last day or 2 and Ren isn't very well either I got Llody Bundy to take me to town to day to get some pills for Ren and was get me some pillow case so I could work them but their was critter races going on so I could get in the store until 2.30 so I came home with out.

Sunday Feb 4

I bathed Red this morning and got dinner over with. Then Evan and Lona and their family came for a while and I forgot Connies birthday her birthday was 17 of January + Paul's the 27. I am sure sorry I forgot it if I had just looked it up I would of known. I sure hope they got home all right.

Feb 5

I got up and washed early this morning but I sure didn't feel good but I am a lot better to night didn't get my close quite dry so had to bring them in the house and dry them went to town and got our check got some grocerys pay Bradly + Ashly \$2. For 4 her to night Edna called she said she would be glad when she could go home she has it nice where she is staying but she wants to go to the temple and to church again.

Feb 6

It sbeen quite foggy again to day I got Colleen to come over and take me to town to cash our check and to go to the milss so I could get some grain for the chickens than I had her stay for dinner with us than I got started to work on my pillow cases sent Ren insure up for his car and did my ironing to night and watched T.V. for a while than went to bed.

Feb 7

Ren hasn't felt good at all to day he has had and awful lot of pain in his leg he had just had breakfast when Sadie came and we went down to Olive's for about two hours we had a nice time. Edna called to see how we are to night. It raining awful hard to night and has been for a few hours. We are going teaching to morrow so I hope it quite raining so I won't get to wet.

Feb 8

It stoped raining this morning but sure slopy and slick. Ren still sleeping got my work done got dinner and got ready and went teaching and nearly all of them where gone teaching so we gave them redit for that either Russ or L.D. came and I guess they are going our Licent Plates. Loa and and I had a nice afternoon teaching.

Feb 9

Cleaned out the stove and defrosted the frig this morning called Colleen and she toke me to town got my grocery and got a letter from Rens insurance and had send back the year he was born before they sent the policy got a letter from Norene she said Tomy wasn't feeling so good and that she was taking careSpencers + Jimmie children while they went to Salt Lake.

Feb 10

I called LeReta to day and tshe said they coming up so I put on a kettle beans and than got the Bundy boys to help me put some old Lonolum on top the chicken coop boy the chickens were sure wet and nisty in there but then I cleaned it the best I could and put fresh straw in put it still dimp in there LeReta and Lowell and the kids stayed until after 5 o clock than they went home.

Sunday Feb 11

I have had a head ack this morning and don't feel to good but house was so dirty I had to mop the dining room and kitchen I had Edna come over for dinner we just got the dishes done when Spencer Jimmie and family came and Norene and her baby came with was glad to see them I do hope they get home all right they was going see Lowell + LeReta for awhile when they left here. Its been quite a day Russ and Olive came a few minutes and brought Rens plates for his car.

Feb 12

I made some banna nut bread toke a bath and went the Dr and gave a shot and my blood was high so have so have take high blood pills and also pills for my nevers didn't get any mail to day sent the children all some Valantines. Colleen came up an toke me to the Dr. Edna is going to stay with Etta Bair for a while.

Feb 13

It was a beautiful day to day and I washed and got my close all dry. But I was sure tired when I got through but its cloudy again to night Colleen said there wasn't any mail Olive and I are going up Sadie in the morning Colleen said little Paul was going to have his leg operated yesterday.

Feb 14

I slept pretty good but got up with my acks and pains and Rens legs paings him awful bad also. It rained all night again and it looks like its going to rain again to day I never have it rains and floods like we have had this year in my life. I never heard of them before like this. Olive went up to Sadie for about an 1 ½ hours had a nice time Colleen said she would be up but she didn't come we had the word teachers to night and they had a right good message.

Feb 15

I rained in the night and cleared up for a while. I went to town and got the mail Lloyd Bundy toke me to town we haven't hard a word from Lona how Paul is I do wish she would write and let us know how is It raining again now I sure hope it clears up pretty soon. Larry + Sherlean sent Ren and I Valintins but didn't write a word saw Norwood going home from town he said they were all well. Had a bad headack all day but got my ironing done feel better. Night night

Feb 16

It snow last night and been stormy all day Colleen came up and toke me to town to get grocery. I got a nice letter form Aunt Rhoda. The lights went out last night for more than an hour. Ren had one of those nicty spells again this morning and make me feel awful all day after and he feel worse.

Feb 17

Got up and moped my floors before breakfast. It still snowing here been snoing off and on all day. I got an awful head ack again today. Edna called from her home to night she said she was awful tired I asked her come over for dinner to morrow and she said Ivan and Gloria was coming.

Sunday Feb 18

There was snow on the ground this morning I got up and made a cake eat my breasfast while Ren slept when he woke up gave him his breasfast and gave him a bath. While we were eating dinner Al + Ruth

came they only stayed about ½ hour. The rest of the day we were alone not even Lowell and LeReta came up. Ren felt pretty good all day.

Feb 19

I got up at seven and put the boiler on and wash I had a good wash day most of the close dry. They froze a little when I hung them out. We haven't heard a word from Evan yet thought sure he would let us know how Paul was.

Feb 20

I haven't felt good at all to day. I have had a lot of pain in my left hip I layed down and went to sleep before noon and we watchcarmal. Glen go up this morning and there hasn't anything on T.V. all day hardly haven't talked to Colleen to day either I was going Relief Society but Ren had a spell so I dicided not to go I felt so miserable myself and it has been half raining and snowing all day I got my iroing done.

Feb 21

This morning got up and it was snowing and ground had about 2 inches of snow. I got Colleen to take me to town to night and I got me a fresh ham one dollar and 97 cents I thought that was darn good. Colleen said she got a card from Lona and she said Paul was doing all right but that little susan had her finger caught the car door and hurt it pretty bad. Mrs Rachel Andersen died Tuesday morning and that they were going have her funeral services Saturday at 1 o'clock.

Feb 22

I didn't sleep only about 3 or 4 hours all night I got up and sit in Rens chair until about 3.30 o'clock this morning It has snowed most of the day again to day. Most everything was closed to day. But the kids went to school. To night wind is blowing and looks like we are going to have a blzired the way snowing and blowing to night. None Rens children came to day I guess the weather was bad.

Feb 23

I got up cleaned out my stove moped the bedroom and kitchen and it snowed all day. I toke the roaster out the chicken coop and put him out side and the dog drove him of to carls so I guess that the last of him Colleen toke little Douglas over to the Dr but Dr said he was alright thank goodness.

Feb 24

It has been cold all night and quite cold all fornoon but this afternoon it warmed up a lot but to night it nearly 0. Its that cold again. Norwood came up and toke me to town to get my groceries Ren hasn't felt to good again to day and neither have I got kinda of sore throat I tired to get LeReta to night but couldn't because Leona Smith was on the line for nearly to hours so I didn't get to find out how Denice is.

Sunday Feb 25

I called LeReta this morning and she said Denice had infexion in her ear and striped throat but that she was better this morning. Edna is home she got sick so she went home but she feels better to day sure hope she doesn't go back she sure worys me she is losing so much weight Russ and Olive came over for a while this afternoon.

Feb 26

I snowed all day to day and it sure was awful all day long I was cold all day long just couldn't warm my darn hip pained every time I got up to move around Edna called two times to day and I called her early this morning Helen came last night to see her mother and she went home about 10 o'clock this moring.

Feb 27

I got up 6.30 this morning and put my wash water on and washed the close forze hard as soon put them on the line it was 10 below zeo last night and its still right cold. Colleen came up and brought Rens check and the farm journal. Colleen brought up for a while today while she went down to Mrs Plants to see a quilt she was making and Edna went up to Mrs Helmore Carlsens to quite shes quite tired.

Feb 28

It been cold all day but kinda cloudy Colleen called and I toke care of Jackie while she went down to Fable Plants to see a quit she was making she said was sure pretty. Went down to Olive Murray at 1.30 o clock for about two hours. I have been quite sick day but feel a lot better to night got a letter from Spencer.

Mar 1

I got work done this moring and I walked to twon and got my check and cashed and sent my Insurance off and got a few grocerys and walked home got me some more pillows cahses got my table cloth don't feel so good this morning Colleen is going to take me to town after while thought Edna was coming over with us but I guess she is going with Dorthy to Logan.

Mar 2

Sure feel like I am going to have my head ack again today I hope I can get check before I gete it. Colleen toke me to town and went got Edna and Dorthy got in the store and toke her to Logan than she brought up here when she came back got a letter from Carrie Edna stayed with us all night.

Mar 3

I got this morning got breaskfast over mixed brad and Edna and cleanred up the house then she work on pillow clase for Mrs Bundy and finished the pillow case I was doing and starter any other one and watched Parry Masson now I am going bed It been snowing most of the afternoon.

Sunday Mar 4

I got and got Ren bathed this morning and made bough ten cake. Lowell and LeReta + family are coming after fast meeting up to dinner they are all well. Thank goodness Edna came over and had dinner. I asked her to + after dinner Norwood Colleen + their family came and Ellis and his three children came. It was sure good to see them. Lowell put Rens licenses plate on for him toke Edna home to night.

Mar 5

Ellwood Silvia and Floss and Garden + the little girl came I went down town and got our check and got somethings to geet them some dinner they visited for a while and went home Floss wasn't feeling to good I am sure tired to night. Norwood brought me a case of milk.

Mar 6

Ren toke me to town to day to cask our check. He got along fine. Got a few grocerys and we came home and had dinner and got ready and went to Alvin Andersens furnual they quite large furnual and good speakers I have caught a darn cold again I got nine eggs today. Lowell was to the furnual but LeReta couldn't get up here so she didn't go.

Mar 7

I got my ironing down this morning got dinner and Olive and I went up to Sadies for 1 ½ hours and than came home I got seven eggs to day and 9 eggs yesterday It rained and snowed day to day it sure been miserable weather all day should write to little Spencer but I am so darn sleepy. Colleen called to see how we were.

Mar 8

Its been a nasty day all day Olive called this morning and went Bundys to see the pups and Sadie came down and got paper and wants me to over with her to Bundys to see the pupts in the morning so I guess I'll go over with her I called Edna she toughing out the dirt she had her flowers in and they all froze so she said she was going to get some more new and plant some more flowers in.

Mar 9

Ren toke me to town to day and we brought Edna back with us I got my grocerys Colleen hasn't called for two days. It was raining when I got up but two night its snowing to beat the band. We sure have had a lot of storm lately.

Mar 10

We have had a wind and snow all last night and we had quite the blizard this morning and it has snowed

about three inches to day. Mr + Mrs Bundy toke Edna home when they went down to the ward dinner to day so she didn't have to walk home Helen + Roy came up to Edna's to night sure hope they get home all right. Norwood and Colleen toke me to town today for some more grocery I needed.

Sunday Mar 11

Got up quite late this morning made a meat loaf and couple of apple pies Norwood came over and brought the mail a letter from Aunt Rhoda I believe Ren feels a little better to day. Evan Loan and their family came this afternoon it was sure nice to see them but only stayed about hour and a little better than went over to Norwoods.

Mar 12

Didn't feel a bit good when I got up so I didn't wash to day. We had trouble with oil stove pip it was filled up with suit and Lowell came up with a perment for me so I told him about it so he cleaned the pipe for me and it was sure full. Ren had another spell to this morning before we got out of bed. Those darns things sure worry me.

Mar 13

I didn't sleep got loast night but I got up and got my washing done got dinner had Jackie for a bout 3 hours she sure a darling baby to take care of got the washing all dry but around tops and bottoms of the blanket and Ren garment didn't get right dry so brought them and hung them on a hangar.

Mar 14

Had Sadie + Olive up for a while this morning in the afternoon Loa and I went Reilf Society teaching we had a nice visit I got home about 4 o clock.

Mar 15

Went to Smithfield with Colleen then she toke me the mill and grain for the chickens I cleaned the chickens coop out and put clean straw in for them the hasn't been so many eggs the last 2 are three days.

Mar 16

Called Sandra and wished her a happy birthday. Went to town this morning and got some more groceries than I forgot the crackers. I got a call from Lillian this morning she said Cindy had been operated on her little head again but that she was doing fine she was operated on yesterday and Spencer called to night and said she was doing fine also.

Mar 17

Got up this morning cleaned my house baked a bach of bread thought mybe LeReta would come but no one came up to day went over to Bundys to see how Bradly was he sure doesn't look good turend out my chickens to day and my little peullets didn't come back.

Mar 20

Ren toke me to town this morning we went got some gass and than he toke me to town and I got some cloth to fix his chair and some more grocery. Came and had dinner than I lay down and went sleep for a while I didn't get much sleep last night.

Mar 21

It snowed most of the day to day snowing to beat the band when woke up this morning haven't heard from Colleen all day hope Sandra + Jackie are okay. Had a good nights sleep last night got my ironing done to day. Edna called to night she said she had been over to Mary Spackmans quilting all day and that she sure in enjoyed it

Mar 22

Colleen gave me perment this afternoon I went Colleen down Smithfield this morning and dried her close in the dryers I didn't back from Colleen until four o clock but my hair sure looks like it going be nice and curly I hope.

Mar 23

Olive called this morning and wants me to come down for a while with Sadie but I sure can't stay very long I got bread to bake and go to town for grocery and medsin for Ren.

Mar 24

I got all my Saturdays cleaning done this moring had dinner got dishes washed and put away then LeReta called and came up for a while than Lillian called from Mrs Talbots and her + Ray had got them a new car so they came over and Ray toke me to town while Lillian and LeReta visited while we was gone they stayed over to Talbots all night.

Sunday Mar 25

Ray + Lillian got over here in time to have dinner with us. Then Spencer and Jimmie and the children come little Cindy looks awful good for the trouble she's had to go through with her little head. I sure hope they got home all right.

Mar 26

Going to wash this morning I got my washing done and hung out about 10.30 o clock this morning called Edna and told her to come over and have dinner with us wehad soup for dinner with dumpling wasn't as good as I would like them. I walked with Edna down as far as mother place and stoped in and to talked Oliver for a while than came home I am so darn tired to night.

Mar 27

I had Edna come up after Reilf Society and have dinner then we both went down to Olives to quilt I stayed for about 1 hour and half and Edna stay untill after 5 o clock she said they got both quilts done. I haven't felt so good to day got cold and so has Ren. Ren and went to town after I came home and paid for my paper to night haven't called Colleen for 2 days Ill have call her in the morning.

Mar 28

Olive and I went up to Sadie for a couple hours then I came home got dinner and done my ironing Ren felt pretty good we didn't go anywhere today. Got eight eggs today had a lot of pain during the night.

Mar 29

My hip pained me quite a bit not so bad the night before I sure feel worried the way I feel. Colleen called to day and said Jackie was a lot better and that where going done to Lona's + Evan Saturday and stay all night. Mary called to day and she said Art and the boys where all well. Edna came back with us up when we came from town and went back tonight.

Mar 30

Baked bread to day the bread raised good but my flour is sure dark Norwood brought us the mail got card from Sylvia and she said she was in Chicago and that Darla had another little baby boy and that she would write us latter. I have been trying to rake my yard but it sure hard to rake.

Mar 31

Got my cleaning mostly done had dinner Norwood came up this morning said they thought they would go to Ogden and that they was leaving before noon be back to morrow we went to town on our way we met

Bill + Helen so we had they wait for us I hurried as fast as I could we had a nice afternoon visiting and Bill had a moving camera and he showed us pictures he had taken of them with mother on their fishing trip it was sure nice she gave Edna + I a little dog a peace she had made they sure was pretty little things.

Sunday Apr 1

I guess we will be alone all day Edna is going to Ogden thought I would roast a peace of been and make a cake. Helen + Roy and family went over to Edna's before she left for Ogden so she stayed home. LeReta and her family come up and Ivan brought Edna over in the afternoon so her and I went meeting to night and it was good it was for the primary and she stay with all night.

Apr 2

Apr 3

To day I got up and made some doughnuts for Ren he has been wanting some. Ren had 3 of those awful spells to day had one while Sadie + Olive was here they come down and spent the afternoon with me to night I have got another bad cold. Colleen came over to night for a few minutes and brought Jackie + Douglas.

Apr 4

I got up and helped Ashley clean the yard. Sure had a lot of pain in my hip but I sure want to get my yard clean but I can't clean behind the house until it get more dry. Edna called and said she had just got home from the temple.

Apr 5

I didn't rest very good the first part of the night I was in such a lot of pain for a while Edna was to come over to night but she didn't come said she would come in the morning and we would here conference together so I am going to get up early and mix bread so I can.

Apr 6

I didn't sleep to good I had such a nasty cold Edna came over and watch conference with us. She staying to night Colleen brought little Jackie over while she went to Logan to take Sandra and some of her little girls to a show they wanted to see. Norwood and got Jackie this afternoon got a letter from little Spencer and he is well

Apr 7

Edna Ren and I watched conference then went town got some groceries and had dinner and watched conference in the afternoon. Then Edna went home and had supper and watched TV until bed time My cold is better. I had a head ack all for noon better to night I have never had cold like this one before.

Sunday Apr 8

Slept good last night but seems like I can't get rid of the headack. Ren is feeling pretty good Edna came over and had dinner with us Lowell and LeReta and their family came + had dinner and Lowell took care back with him so he could fix the gas line it leaked so bad and LeReta took Edna home so she wouldn't have walk.

Apr 9

Got my bread in the oven and I talked to Edna and is going to the church to help put some quilts on talked to Olive on the phone and she said Ren family are all well and that Ruth had gone back with Al. I just got Ren bath and bath after supper so I feel a lot better got the garden ploughed day Roy Smith and he would take my pay for ploughing I am going to write to little Spencer to night.

Apr 10

I have still got my cold sure wish I could get over it Ren hasn't felt so good either sure hope he doesn't get

LeReta brought care back to night and had supper with Then Laree came up and toke her down to there place Lowell Randall and Rendall had supper down to Ivys I have got Spencer letter finished yet and I want wash in the morning if I can.

Apr 11

I washed to day and my close all dry I went Relief Socieity this afternoon we had a good afternoon nearly all of them were home but 2 and Mrs Erickson went down to sister bears to stay with her this after noon so I know will get for being home because Loa Thomson went down there got my close in after I came home got eleven eggs today.

Apr 12

I was sure lazy to day. I got tired yesterday but I went town and payed water bill + light bill and also telephone bill. Got me a hoe and planted strawberries I could find and did my ironing sure glad I got those things done and I had Relief Society teachers to day and Colleen to see how Ren was he hasn't felt to good to day.

Apr 13

I went to Logan with Helen and Edna today and got me a pair of new shoes and we got us a barqued chicken a peace and I get some buns and some little green onions came home and gave Ren some dinner and Helen came over and put up my hair and she brought Edna step latter over for me.

Apr 14

Today I don't my Saturdays cleaning went over to the neighbors and visited for a while got dinner stran to night I went up and turned the water down the apple trees and to night I am quite tired Norwood brought me a load of garvel and I got Ashley Bundy and Sherri to spread it around for me.

Sunday Apr 15

Got up this morning toke beding out on the line to air then did my work up and Olive and went down to Sadies about 1 o clock are little after came home went to town got some seeds to plant went out and raked some in the garden came got supper watched TV for a while now I am tired so think I'll go to bed. I also talked to Edna for a while.

Apr 18

I go tmy washing done and Colleen toke to the mill to get me some laying mash than come home and had dinner and gathered my close in I guess will go to a book of Mormon class to night sure hope I'll be able tl understand it. Went the Book of Mormon class realy enjoyed it I would like keep up all the classes if I can maybe I'll be able to understand better.

Apr 19

Leona Smith called this morning told me that Maxine went through oparation all right and they thought make it all right I would sure like to go down and see her. I went to town and got me 2 pair of garments. I got me 10 flour sacks yesterday so I could make me some more dish towels. I got Kieth Bundy to help me plant some of my garden to night I feel quite tired I hope I can sleep good we got quite a wind to night it seems to come in gusts I sure hope it don't blow all night.

Apr 20

I cleaned both the windows in the bedroom and washed the curtains yesterday sure wish I could get in and clean it like I would like to I am going paint it one of these day if I ever can get around to it want to clean the cellar first though everything so darn dirty around here

Apr 21

Got feeling pretty good moped the bed room are kitchen this morning just got the dinning room to do and I am so darn sleepy. Called Hilma last night she said Maxine was feeling a little better and she would have be awful carefull for a long time when she got home. I got my onions sets planted to night hope they are they sure wasn't very good ones.

Sunday Apr 22

We had a pretty good Easter Hilma and her family came and Leona came with them and Ray + Lillian + family came for a while and Evan and Paul came before noon for a while and LeReta and the baby Kendall + Denzil came for a while and Edna came and had dinner with us and then she went church to night.

Apr 23

I put strips of cloth over the ceiling in the bed room where there was cracks and I have nearly got the paper in the dining room done boy but it was dirty had to go to town and get paper cleaner before I did but it sure looks nice where its done. I guess I'll try and finish it in the morning I feel kind of tired to night and Ren doesn't feel to good either its my jolt because he didn't want me to clean I can't let it go any longer

Apr 24

Asley came and help with some of the cleaning of the paper it looks pretty good now. I didn't sleep much last night Ren had one of those spells so I couldn't go to sleep after that and I guess I worked to hard to try and get done but looked so awful I just had finish it.

Apr 25

I got up early this morning and got my washing done and I got it all dry and in but to night it has started to rain a little and I am awful tired to night just hope I'll be able to sleep Ren toke my to town so I could get my high blood presser pills.

Apr 26

I didn't get a chance to go to the Book Mormon class last night It was raining quite hard and I was awful tired. I got little Jackie to day while Colleen is working on the float for black + white day and I washed all the kitchen and it looks pretty good.

Apr 27

Apr 30

I got up this morning cleaned nearly half of the wall paper in the bed room and got about a four of it painted this after noon. I am sure tired this to night. Sure hope I can get the rest of the paper cleaned to morrow. I have to go over and take care of Jackie untill Colleen come back from the Dr.

May 1

I got the rest of the paper cleaned in the bedroom than Colleen came and got me and while I was there I got an head ack that made me kind a sick so I didn't get much done this after noon. Our neiybors across the street moved to day and that was a relief for me.

May 2

I am going to try and wash to day but it looks like it might rain sure hope I get my close dry. I got my close all dry and went to town got my land water notes to day and it was seven dollars it raises more every year I am sure tired again to night.

May 3

I got up early this morning and mixed bread and than Olive called and Sadie and I went down there for a while I only stayed a ½ hour because I was baking bread and had to come home than I pained the rest of my bed room and it sure looks nice if I just had the paint for the doors and windows so I could get them painted but I am sure tired to night.

May 4

I got my ironing donw this afternoon and stamped some dish towels so I would have something to do. This afternoon I went to town and send a money order off for my actend insurance and got some groceries.

May 5

This morning I went to Lewiston with sister and Brother Bundy and got a few shot cleaned up the living room and got dinner over while I was gone Jos + Hilma and their family came and I didn't get to see them if I had known they were come I wouldn't of went because I wanted to see the kids so darn bad.

Sunday May 6

I got up and made a cake and a meat loaf and got dinner and had Edna over for dinner than LeReta and Lowell and their family came and I got dinner for them we enjoyed the afternoon and Lowell LeReta and the family went home and they toke Edna home so she wouldn't have to walk. Lowell fixed the car for Ren.

May 7

I got my work done then Ren toke me to town to mail out his insurance I toke the pennys I had there was \$5.50 in penneys sure hope I got them right when we got hom Ren got cramps in his stomach he sure was bad for a while I gave him Tuszin and some pepto Bismol before he got better he was sure sick for a while.

May 8

I sure didn't sleep good last night Ren had the cramp yesterday and worried so much about him and I have been so darn sick since I got my flue shot Saturday it sure made me sick and am Olive and I went up to Sadies this afternoon for about 1 ½ hours than came home I plant the rest of my flourers out side to day.

May 9

I washed and got it done and had Edna come over and watch Jackie for me while Colleen went to Logan Ren has been awful sick today had call the Dr. and got some pills from him so I could gave them to him sent urne test over but it was ok said he had some infexion some where that was couseing so much Olive came over and toke it over for me than I had the Elder come in administer him.

May 10

Ren slept good most of the night but had one of those awful spells this morning and one while Olive was here yesterday. Orborn Nan and they family came last an Wynn Betty there little boy came and brought Floss and she stayed with us and Russ + Olive came over to stay with Ren while I went to the Gold Star mothers tea Colleen came and toke me to it we had a right nice time and a lovely lunch.

Mar 11

May 21

To day it rained nearly all day and to night it rained hard to night they showing some picture down to the church on the on the city that was uncover but it rained so hard I didn't go. I would went anyway if Edna had been able to come and go with me but it was raining so hard she couldn't get here and she didn't feel to good either.

May 22

It looks like its going clear up to day but it rained nearly all night Brother Bundy put a leg on the washer for me Saturday so I can wash as soon as I feel better. We went to town to day and I got a card a announces the commencement exercises of Bobie and his pictures he sure a good looking boy sure wish I could go to it. They is not chance for me to go though.

May 23

I got up not feeling a bit good so didn't wash Colleen brought Jackie over and toke care of her while went to Logan Poor kid was sure sock to night we had quite a bad thundering + lighting but didn't rain very much. I went out after supper and planted 5 shot rose of beans hope I'll be able to get some tomatoes and plant corn to morrow a couple hills of squas and cucumber if I can.

May 24

I was awful sick all day spent most of the day laying down Olive came and I went with her to see Sadie but thought I'd never get home. Ren was as cross as a bear all day he always is if I don't feel good are he is worse I don't know. Called Colleen she said Jackie was feeling so good this after noon.

May 25

Today I planted corn and some squarce and cumbers and hoed my potatoes they sure looking good Colleen came over a little to night and brought the baby and Sandra I was quite tired all night.

May 26

To day got and done my Saturday work baked bread Brother Bundy brought me some tomatoe plants and I planted them. Norwood came over for a little while but didn't stay he was sure up sit because Bundys dogs came after him like they did but they won't keep them hom and I can't do anything about it I don't want them here either.

Sunday May 27

We both feel pretty good to day got up and got breakfast and made 2 apple pies for dinner and roasted a roast of pork got supper over and went to meeting to night. We didn't have any company to day so I called LeReta to night and she said they were all well. Elona called and said they went down and saw Lillian + Ray yesterday and they were all well and that Ray had to have a cast taken of his nose last night.

May 28

Today I did my washing and ironing and Mark called and told me my tomatoes plants were there but it was raining so bad I had to wait until to morrow to get them.

May 29

had a nice day. Art + May Beverley + Hannah and Bill came to night.

May 31

I haven't been able to sleep to night. I have been up all day got work that the Bundy boy got in a reck and had to go tell Brother + Sister Bundy this morning the boy didn't get hurt bad the car is a totle reck. Colleen children came over to day and stayed with me while she went down and worked on the float. Jackie sure didn't feel very good to day. Ren had another spell to day Edna over and visited with us for a while to day she went home early so she could mail my insurance out for me.

Jun 1

Ren toke me to town this morning to cash our checks and got some grocerys and insur rub and anacin and things for Ren. I sure haven't felt very good this afternoon went up to Sadies to see how she was for a while she sure looks good.

Jun 2

I got and got house cleaned up today baked bread. Hoed in the garden a little planted some more cucumbers and there more hills of squace hope they grow Edna called and said they to take exrays of Helen I sure hope it not as bad as they thing. Evan came a minute are two this morning said the water was to high to fish up to high creek fishing law opened this morning Ren has been a little better today.

Sunday Jun 3

I slept right good last night got up this morning made a lemon pie wasn't to good but we ate it just down set down the talbe to eat dinner and Lowell + LeReta and there family came so got dinner for them and Edna came I asked her to come over for dinner it sure rained this afternooon and I believe it still is raining I am awful tired to night so I think I'll go to bed. Edna called she said there was north wind blowing and it was sure cold sure hope it don't freeze.

Jun 4

This morning I got up feeling pretty got my work had a nevers spell some kind I felt awful for a while so I got out the house and walked down to Olives for a while and when came back I felt a little better so got ready and went to town and sent Evelyn and Sherlean a birthday card and sent Ren Insurance off. I still don't feel just right but I think I will be alright again I hope.

Jun 5

Ren and I went to town this morning put our check in the bank and got some grocery and Sadies mail and came home and had dinner after dinner I got an awful cold. I got busy and started to Doctor for it called Edna she was going some party for the Relief Society. She called befor she went and went bed and said she enjoyed her meeting but she didn't see anyone from our ward.

Jun 6

Today I have been down nearly all day sure hope I am better in the morning so I can get something done and Sadie and Oliver are coming up for a while in the morning I am awful tired and miserable so I am going to bed.

Jun 7

I got up feeling pretty good and Olive and Sadie came up for a while. I went out and hoed this morning a little everything seems to look all right the tomatoes have the caps on so I don't know weather any of them froze or not Colleen called so I guess I will go out to the school and watch the dance refue with Sandra and Mary Lou are both in it.

Jun 8

Got home about 5 after 11 o clock to night the dance was sure lovely. Colleen toke both Edna and I to it I know I sure enjoyed it Ren was still up waiting for me when I got home but had a good nights rest.

Jun 9

Got up this morning and go my washing and Norwood over and toke the junk away for me and Douglas

Lillian and I got the boxes and old shoes out of the cellar so it looks better Lillian and Ray and their family came just before I hung out the last batch and hung them out and emted the water for me we got dinner and went to town and Ray + Lillian with Norwood + Colleen out to supper Ren had two nasty spells to night I sure thought he was gone in first one but got him out of the other wsn't quite so bad so Norwood toke all the children over to his place.

Sunday Jun 10

I got my work done and called Edna told her to come over for dinner so I fried a chicken and got dinner we set around all afternoon want to go to meeting but Ray + Lillian was going call before they went home so I didn't go.

Jun 11

I had Colleen stay for dinner to day and Loa called so where going teaching this afternoon Sadie won't be home so won't have go there Sarah wasn't home either all the rest were home. Got home a little before 5 o'clock so we had a nice visit with all that was home. Got all my tomatoes hoed to night hoed a row of beans and row corn this morning. So I am tired to night it awful cloudy to night shore looks like it my rain to night.

Jun 12

Got my ironing done to day and finished hoeing the garden it sure looks nice now. Edna called and said Roy made it through his operation okey thank goodness for that went Sadies this morning Olive and I had a nice morning to gether. Ren has been pretty good today sure hope things go alright for Lillian + Ray and their family.

Jun 13

Cleaned out my cubbereds this morning did my work was quite sick all morning Norwood came over and brought us some redishes they were sure good we over to Mrs. Bundy to see how she was she got all her buttom teeth pulled this morning but I think she is feeling pretty good to night. Called Edna there wasn't any one home but guess I'll call again in five minutes went put other bug powder around the roots of my onions I do hope will killed the bugs or worms.

Jun 14

I got up and tried to cut the grass off the ditch bank and got pains in my chest so I had quite Colleen came over about noon so I had her and Douglas and the baby eat dinner with us. We had beans for dinner and pheasant Colleen sent over that had frozen and thawd out so cooked that and pulled all of my onions to night so worms wouldn't get them all sure hope I can use them before they spoil.
